Is your child a pupil participating in the SCAMP study?

SCAMP
Study of Cognition, Adolescents and Mobile Phones

Would your child like to help the study further and earn up to £30 in Amazon gift vouchers?

Please complete the form below and send it back to us in the freepost envelope with the consent form.

We are currently inviting pupils to take part in **SCAMP's Personal Monitoring study**. This involves:

1) Carrying around a small device that measures radio-frequency waves for 48 hours;
2) Completing a smartphone activity diary & questionnaires;
3) Giving biological samples (e.g. saliva, urine);
4) Performing a lung function test

Would you be interested in your child participating?
